## Pahokee woman killed in single-car accident; charges pending against driver

Tammy Jackson  
Staff Reporter

A single-car accident claimed the life of a Pahokee woman May 30, 1994 on the L-8 Canal Rd. Palm Beach County Sheriff's Department reports indicate the car was traveling approximately 45-50 mph.

Linda Garcia, 29, was killed when the car she was riding in ran off the roadway and down an embankment, about 3 miles west of Lion Country Safari. Police said the 1980 Fairmont traveled nearly 150 feet before the vehicle rolled over and ejected the driver and Garcia. The car rolled over Garcia and came to a rest upside down. The car was driven

by Luis Luis Delacruz, 23, also of Pahokee. He was airlifted to St. Mary's Hospital where he was admitted in serious condition.

According to reports, Delacruz had been drinking alcohol.

Maria Beltran, 22, of Pahokee, was also a passenger in the car. She was transported to Palms West Hospital where she was treated for minor injuries and released.

The three Pahokee residents had just left a family gathering and were heading home when the accident occurred.

No arrests or charges have been made pending completion of the investigation.

## Palm Beach County educator announces his candidacy for county commissioner

Tammy Jackson  
Staff Reporter

A Palm Beach County School Board employee has vowed to run for Palm Beach County Commissioner, a seat already held by incumbent Ken Foster. Alan R. Firpo is the coordinator of an Alternative Ed. fourth and fifth grade pilot program at Metaleuca Elementary School. He moved to Florida from Brooklyn, N.Y.

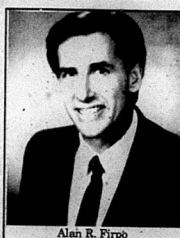

The former owner-operator of a restaurant in Lake Worth is 39 years old. He received his Bachelor's degree in Parks and Recreation from Florida State University in 1976, and his Master's degree in Parks and Recreation Administration from Florida International University in 1979. He is currently

enrolled in an Education Specialists degree program at Florida Atlantic University with 27 hours of post-graduate work.

In 1991-92 Mr. Firpo worked for 15 months in Belle Glade with a dropout retrieval program called Project Respect, therefore, he said he is aware of the problems the Glades-area residents are experiencing.

Mr. Firpo said he is committed to helping youths in society. He said he is interested in providing facilities so children can have "something to do" rather than being on the streets.

Mr. Firpo said he is really concerned about the Glades area. He said the residents of the Glades pay an enormous amount of money in taxes, how-

Alan R. Firpo

ever the Glades area has nothing to show for it. He is especially concerned with building an aquatics complex next to the new high school.

Mr. Firpo and his wife, Marjorie have three children.

## Clewiston residents rob man, receive numerous charges

Tammy Jackson  
Staff Reporter

The Palm Beach County Sheriff's Department arrested Jennifer Rubio, 28, of Clewiston, and Steven R. Marshall, 23, of Clewiston, after the couple allegedly assaulted and robbed Cecilio Pulido, 30, of Belle Glade.

According to PBSO reports, Pulido was summoned to room 8 at the Waldessa Motel by Rubio. Rubio had been a previous acquaintance of Pulido. Pulido went to the room to ascertain what Rubio wanted and at that time, Marshall arrived and began waving a machete at Pulido. Police said Marshall demanded Pulido give him money.

Pulido didn't have any cash on him, therefore, he was allegedly physically assaulted by Marshall. PBSO reports state Pulido received a 2-inch laceration to his left hand and finger. Pulido's wallet and personal papers were taken, along with his green card, passport, Social Security card, driver's license and employment identifica-

tion card was taken by Marshall and held as ransom. Pulido was told the items would be destroyed and he would receive more bodily harm if he didn't go and get some money. Reports state he was also told he would be killed.

Pulido believed he would be hurt even more, or killed, if he didn't cooperate because he already been beat.

Pulido, along with the couple, went to his house to get money. Police said Pulido went inside and obtained \$200 while the couple waited for him inside the car. They were later dropped near the Belle Glade Police Department at which time Pulido made a complaint. Since the alleged incident originated in the county, the investigation was turned over to the sheriff's department.

Marshall and Rubio were located near the police department where they were arrested and booked into the Palm Beach County Jail under \$12,000. They were both charged with armed robbery, aggravated battery and extortion.

## Sugar tax thrown out by Florida Supreme Court

Florida's agriculture industry is applauding the Florida Supreme Court's action May 26, striking from the ballot the proposed "Save Our Everglades" amendment to the Florida Constitution.

The amendment would have placed a tax on raw sugar to establish a trust fund, in the words of the amendment, "to preserve the historical ecological functions of the Everglades ecosystem."

"The court concluded that the initiative would have set up a group of trustees to perform the functions reserved for multiple branches of government," said Scottie Butler, general counsel for Florida Farm Bureau Federation, the state's largest general interest agricultural organization.

The court said the initiative would have imposed a levy on raw sugar, then have complete autonomy in deciding how the proceeds would be spent, thus performing a traditionally legislative function. The trustees would also have exercised executive functions by identifying pollutants and sources of pollution and taking corrective measures.

The court said the initiative would have also performed a judicial function in that it finds that the sugar cane industry polluted the Everglades and imposes a flat fee to cover cleanup.

The court found the initiative's objectives conflicted: "One objective - to restore the Everglades - is politically fashionable, while the other - to compel the sugar industry to fund the restoration - is more problematic. Many voters sympathetic to restoring the Everglades might be antithetical to forcing the sugar industry to pay for the cleanup by itself, and yet those voters would be compelled to choose all or nothing," the court concluded.

The court documents also stated that the proposed amendment was flying under false colors, and that it contained emotional language that could mislead voters. That's been Farm Bureau's contention all along, Mr. Butler said.

Florida Farm Bureau Federation joined other agricultural organizations in criticizing the proposed amendment. "It is certainly unfair to tag one segment of an industry with the blame for an alleged problem as complex as the Everglades," Mr. Butler said.

"Fortunately, the Florida Supreme Court has stricken this proposed amendment, which was based on emotion rather than science, and which sought, in the court's words, to roll a number of separate issues into a single initiative."

## Hurston Museum to celebrate "Juneteenth" at banquet June 10

History lesson: The word "Juneteenth" comes from "June 16th." June 16 was the day in 1863 that news of the Emancipation Proclamation arrived in the southern United States. "Juneteenth" represents "Freedom," and on Friday, June 10, the Zora Neale Hurston Roof Garden Museum will host its first "Juneteenth Gala," a banquet and silent auction to benefit the Museum's Building Fund.

The Gala will begin at 6:30 p.m. with a reception and silent auction. And, the banquet, which will feature an address by Ron Wallace of Tulsa, Okla., author of *Black Wall Street*, begins at 7:30 p.m. It will be held at the Belle Glade Elks Lodge, located at 300 S.E. Martin Luther King Blvd. (Avenue E) in Belle Glade.

The first of several events planned by the Hurston Museum leading up to the grand opening of its new facility inside Glades Pioneer Park, "Juneteenth" represents a coming together of community organizations in the Museum's support, said Hurston Museum Board Member and "Juneteenth" General Chairman Alonzo Perkins.

Host committee members for the event are the leaders of several of the city's social and civic organizations, including The Gents Club's Cornelius Foster, Omega Psi Phi Fraternity's Anthony Jones, Kappa Alpha Psi's Marvin Davis, Alpha Phi Alpha's Willie Pyfrom, The Eldorado Club's Sheila Johnson, Zeta Phi Beta's Mary Jackson, Alpha Kappa Alpha's Edna Stephens, Delta Sigma Theta's Lois D. Lewis, the Sons of Light Masonic Lodge's Alfonso Funderburk, The Violette Club's Maude Vereen, the Florida Association of Women's Club's Ida Mizell.

"This is a historic association," Mr. Perkins continued, "and a historic event that we hope will draw all citizens of the Glades closer together, as we celebrate freedom and work toward the common goal of developing our cities."

The gala is made possible through the generous sponsorship of the Bank of Belle Glade and Barnett Bank. Tickets for the event are \$30 and can be purchased from any host committee member or call the museum at 996-2161.

Jeb Bush, candidate for governor was in the Glades recently. He spoke to a group at the Sugar Cane Growers Cooperative before going to the PBC Sheriff's Office to meet with staff and then on to the home of Mrs. Margie Henderson in South Bay.

# Rodriguez named manager of local Childrens Dental Arcade

Jackie Rodriguez

Jackie Rodriguez has been hired as manager for the Children's Dental Arcade, according to Vice President Debra Browning-Hecht.

Miss Rodriguez will run the company's second office located at 427 S.E. Second Street, Belle Glade, which is scheduled for a grand opening on June 11.

The first Childrens Dental Arcade opened recently in Mangonia Park to rave reviews, according to Ms. Browning-Hecht. The new location will serve Belle Glade, Clewiston, Pahokee and South Bay.

A native of Belle Glade, Miss Rodriguez graduated from Glades Central Community School in 1983.

After working at a dental office in New Jersey for three years she returned to Belle Glade in 1991. A single parent of two, she currently is an assistant Cub Scout leader.

Founded by Dr. James R. Quick, the Childrens Dental Arcade is an innovative concept in general dental care, combining PC rated video games and videos with maximum efficiency in the delivery of general dental care to chil-

dren and young adults.

Disadvantaged children who have had only minimal or no previous dental care will now have easy access through the location of a Dental Arcade in their neighborhood, Ms. Browning-Hecht said.

In addition to providing dental services to these children, Dr. Quick and Ms. Browning-Hecht plan to hire and train local high school students and to provide scholarships to worthy applicants from area schools who are interested in careers in dentistry.

The Belle Glade office will open unofficially, June 1 and will have regular hours of 10 a.m. to 7 p.m., Monday through Thursday, 10 a.m. to 5 p.m. Friday's and 8 a.m. to 4 p.m. Saturday's.

The office can be reached by calling 996-6006.

The weight loss winners...The team "Tons of Fun" lost 49 and one-half pounds in Glades General Hospital's recent weight loss competition. Shown, from left, are team members Kendra Snow and Bill and Sharon Jones.

## It took a while, but she did it...

More than a piece of paper...Girtha Jerening is proud of the degree she received from Barry University, May 6. It took the Belle Glade mother of five 26 years, but it was worth the wait.

It took her 25 years, but Girtha Jerening did it. Despite a full time job and raising five children, she finished college and got a Bachelor's of Profession Services Degree from Barry University.

Mrs. Jerening, a case work supervisor for the Palm Beach County Board of County Commissioners since 1986, started taking classes at Palm Beach Junior College in 1968.

This was before the school was built and classes offered in the Glades.

"I would take a class and then wait a while and save my money up and then a couple of semesters later take another class," she said. "I didn't know about grants."

Mrs. Jerening took a year off from work when she was 40

to attend school full time and found she was pregnant with her fifth child. "That was a surprise," she said.

She attended Barry University and did weekend work at Biscayne College before getting her degree May 6 of this year.

Her family and friends are proud of her accomplishments.

They say, congratulations, Girtha, for a job well done!

## First session of weight loss proves successful

"Tons of Fun", a weight loss team consisting of Bill and Sharon Jones and Kendra Snow, were the big winners in Glades General Hospital's weight loss competition which ended last week.

The trio lost a total of 49 and one-half pounds, with Mr. Jones the biggest loser. He lost 27 pounds by himself.

Sue Maggio, hospital dietitian and organizer of the event, said 54 teams lost a total of 706 pounds over the six-week session.

Teams followed menus and weight loss guidelines promoted by the American Heart Association and learned better cooking skills, shopping tips and the benefits of low-impact aerobics.

Mrs. Maggio said the program was so successful that it was offered again for another four-week session.

## Several Historic Preservation grants awarded

Historic preservation grants to restore several Palm Beach County historical sites, including \$43,822 for the Old Palm Beach County Courthouse, \$16,682 for the Custard Apple Inn, \$15,000 for the Metcalf Court and \$13,750 for the Zora Neale Hurston Museum Building -- are among several awarded to South Florida projects, Secretary of State Jim Smith announced.

A total of \$950,000 in matching grants will be awarded to 49 projects statewide, including \$25,900 for Key West's Old City Hall and \$15,000 for its Harris School, \$6,800 for Miami's Heritage Education Cooperative and \$15,000 for a survey of Broward County.

"We are fortunate that our state legislators realize the importance of preserving Florida's historic structures for future generations to enjoy," Mr. Smith said. "Without their support, these restorations would not be possible."

Most grants must be matched locally by cash or in-kind or donated services.

## Foley sweeps endorsements of Republican State Legislators

Mark Foley (R-West Palm Beach) has picked up the endorsement of every Republican state senator and representative in the 16th Congressional District. Although many of them face re-election efforts themselves, they all agreed that Mark Foley is the best candidate in the race.

Endorsing Mr. Foley were State Senator William "Doc" Myers (R-Hobe Sound), State Reps. Ken Pruitt (R-Port St. Lucie), Tom Warner (R-Stuart) and Sharon Merchant (R-N. Palm Beach).

"I am pleased to see that, even though many of them have tough re-election battles in their own districts, they have decided to publicly support our campaign," Mr. Foley said. "These days, not many elected officials are very willing to jump into the middle of

a primary battle. I'm honored to see that they are willing to support me so openly in this race."

Mr. Myers announced his support saying, "I can't think of anyone better suited to follow in Tom Lewis' footsteps in Congress than Mark Foley. He's been a tireless advocate of lower taxes and less government spending and regulations. He's also been one of the most articulate and most outspoken opponent's of Governor Chiles' Clinton-style health care plan."

Ms. Merchant endorsed Mr. Foley's effort saying, "Mark is one of the most accessible and responsive representatives this community has ever had. He is honest, hard working, and does what he promises. That is all we can ask of anyone. Mark always takes the time to listen

and be responsive to what the people back home are saying."

The announcements of the Republican state legislators come on top of endorsements from West Palm Beach Mayor Nancy Graham, Martin County Sheriff Robert Crowder, Palm Beach County Commissioner Karen Marcus and Property Appraiser Gary Nikolits.

## Hoo-Doo spells and story on Zora Neale Hurston make up first Grassy Waters Cultural Magazine

The students at the School of CHOICE, an alternative school in Pahokee, have published the first issue of their cultural magazine, *Grassy Waters*.

The semi-annual magazine features stories about the culture, history, and people who live in the Glades.

This current issue features a story about one of Belle Glade's most famous former residents, Zora Neale Hurston, daughter of the Harlem Renaissance.

Other stories include an interview with the creator of the first black doll to be sold in the U.S., Sara Lee Creech.

Authentic Hoo-Doo spells that will make people love you, and "Muck Recipes" from some of the Glades finest cooks are also included.

The magazine was created by English teacher Lynn Stephey, and art teacher Pat Wolek to give their students the opportunity to apply what they learned to a project that would make them proud of

themselves, and their community.

"One of the problems we have out here is the negative image, AIDS capital, people on welfare. It's a shame," said Ms. Stephey. "This is a wonderful place with wonderful people. We wanted the students to find pride in their roots."

The students received financial support for the first issue from the Cities In Schools program, and the Palm Beach County Private Industry Council.

School of CHOICE Principal Antoine Russell believed in the project and gave the teachers and students the time and resources needed to produce the magazine, said Ms. Stephey.

Ms. Stephey said sales of the magazine have already been brisk with requests coming in from all over the state.

Staff members include writers Anita Givens, Sheneirus Harris, Vantrisca Kelly Travanda Wimberly and Lenora Young. Photography was by

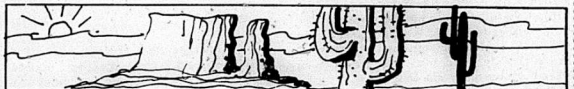

Shawn Curry.

The cover design was the work of Delano Davis and the graphic art and layout was by Natasha Johnson. Kenyatta Foster, Jolenna Dixon, Ivis Lane and LaFann Williams, art director was Pat Wolek and editorial assistants were Queenie Williams and Wesley White.

The fall issue of the magazine will include an interview with Pahokee's own Ricky Jackson, New Orleans Saints linebacker; a visit with a master of disguise, Belle Glade artist Donald Neal, and an interview with inventor Vernie Boots who will discuss his remarkable inventions.

It will also include a story from U.S. Sugar executives on how cane is raised in Pahokee.

To receive a copy of the Spring 1994 issue, or reserve a company of the Fall 1994 December issue, send \$3 to: Grassy Waters Magazine, 541 Rardin Road, Pahokee, Florida, 33476.

## Are they too good to live in Belle Glade?

"We, the citizens of Belle Glade, should stand up for our rights and demand that the employees who we pay for through our taxes should live within the boundaries of our city, especially those in city administration.

It has come to my attention that even our fire department depend largely on their volunteers because our fire fighters live elsewhere.

There is something terribly wrong with this picture.

It is this resident's opinion that if Belle Glade is not good enough to live in, they can find a job elsewhere."

**Editor's note:** This *Speak Out* was edited, while hopefully retaining the message that the caller wishes to convey. We didn't feel it was right to single out one individual who does not live in the city, yet derives their income here, when there are many who do so. Thank you for *Speaking Out*.

## Responding to last week's *Speak Out*

"What is this, 'Ego Week' for the fire depart-

ment and the Emergency Medical Services? Sounds like they're all on an ego trip or something."

## What's going on?

"Recently I have heard that the Belle Glade Fire Department have voted out their union and that they're going to try to work out all their problems with the city.

I commend them very much. I believe this is the best way for them to go, to talk to the city first hand without any mediators, but I also know the Belle Glade Police Department also has a union.

I've heard that something recent has happened and I'm very interested to hear what the outcome was.

Thank you."

## Flags were flying

"Driving around town on Monday I noticed many residents remembered to display the American flag on Memorial Day.

We owe such a debt of gratitude to those who gave the ultimate sacrifice for our freedom. It was good to know that many remembered our fallen comrades."

## Letters to the editor

### Police response is fast

**Editor's note:** This copy of a letter to Chief Michael Miller was sent to us for publication by Mr. Motes.

Dear Mr. Miller:

It is indeed a pleasure to let you know what an impressive police department you have.

Around 4 a.m. the morning of May 23, I was awakened by a loud noise. I thought I heard a burglar breaking into my shed on the north side of my house.

I looked out the window and with the light shining on it from the street it looked as if the back door of the shed was open. (Our shed had previously been robbed.)

With this in mind, I immediately called the police response was immediate and they were here in about three minutes.

The canine unit searched all around the house and the only thing they could come up with was a cat near the garbage cans.

Well, needless to say, I felt a little foolish...however, I was able to go back to bed with a good feeling.

I would like to thank your department for the quick response and the courtesy extended to me when I called.

Sincerely,

Jesse Motes  
Belle Glade

## Why you should care about banned assault weapons

By Tanya K. Metakasa  
Office of the Executive Director  
National Rifle Association of America

"Assault weapons? I don't own one of those guns. Doesn't matter to me if they ban 'em. Why should I care?"

The words are from a good friend — a smart man with a fine gun collection: shotguns, bolt guns, a few lever actions. Some handguns including a couple of WWII souvenirs from his dad. He has 27 guns all told. He calls them "sporting guns." He shoots, hand loads, hunts. He is looking forward to grandchildren. He wants to pass his love of guns on.

"Assault weapons... Why should I care?" My friend's words scared me, worse than anything I'd ever heard Charles Schumer, Dianne Feinstein, Howard Metzenbaum or Bill Clinton say. My friend's words fought to scare you, too.

"Assault weapons... Why should I care?" Perhaps you've heard this. Perhaps you've even thought it yourself.

Why should I care? I told my friend that if he doesn't care about the plight of a fellow peaceable gun owner, that when his turn comes, someone else won't care about him.

It makes no difference whether an honest person possesses a Walker Colt, a Winchester 21 Grand American, an 870 Remington, a Ruger revolver...or something with a large magazine capacity, a Glock 17, or Beretta 92...or something from the Vietnam era — an AR-15 or an AK-47 semi-auto. Same passion.

Same principle: If an individual possesses any gun for peaceable reasons, he or she is no threat to anyone else.

And the number of guns owned? 10 or 100 or 500 guns possessed for peaceable reasons are still no threat to anyone.

That's what we are about — peaceable honest gun ownership. We do not rob, steal, rape, murder. Criminals do that. But we are being told we

must pay the price for criminals.

And in America, criminals don't pay the price for their violence. Crime is a big-time, high-paying, low-risk job in our society. A violent offender has a one in 100 chance of ever seeing the inside of a jail.

"Assault weapons... Why should I care?" I told my friend that it was already illegal for a convicted felon to be even in the same room with an assault weapon, or any kind of firearm.

In 1986, with the McClure-Volkmer Act, NRA got even stronger laws against criminals and drug dealers. We passed a three-time-loser law where a violent felon with three prior convictions who is in possession of any firearm faces a mandatory 15 years in a Federal penitentiary. No deals. No parole.

The FBI or the BATF now can go to any city in America and make wholesale Federal prosecutions of convicted felons who local police have already arrested for any crime in which they possessed any gun.

Think about that. Every convicted criminal in America who picks up a gun could now be in prison. Congress can hardly make criminal possession of an assault rifle, or handgun, or any gun more illegal for those who commit criminal violence.

But it can make it illegal for peaceable people to own an assault rifle, a handgun of any gun. The first step is here.

The Feinstein amendment of the Crime Bill bans private possession of guns by ordinary, peaceable people. For the first time in our nation's history, the Federal government is taking the power to decide which guns it will allow peaceable people to own.

Remember — when guns are banned, victims lose and criminals win.

Thank you,

## "Alma Mater"

*"Mid the rich soil of the Glades land  
Palm trees stand unfurled.  
Christian Day School lifts its ideals  
To a waiting world.  
Truth and Honor; Faith and Courage;  
walking in God's way.  
Ours to love and ours to cherish.  
Ever Christian Day."*

As the final chapter closes for Christian Day School, we felt it a fitting tribute to highlight some of the history of this fine school. After offering a Christian education to many children of the Glades for a quarter of a century, the school will close at the end of this school year. Many thanks to Joyce Chamblée for providing the photographs and history of Christian Day School.

### In the beginning

Christian Day School was the vision of Rev. Steve Cloud 25 years ago. It began to provide the youth of Belle Glade with a Christian education - "a quality education in a Christian environment."

The first year, there were 50 students, kindergarten through sixth grade. Principal William Wainwright taught fifth and sixth grades. There were three other teachers and a secretary. Joyce Chamblée taught fourth grade and Gloria King, who later became principal, was the art teacher and secretary.

Bonds were sold to build the high school building at a cost of \$225,000. Teresa Nelms Wetherington was in the first senior class to graduate in 1972, her daughter Sharon was the last senior class to graduate in 1994.

William Wainwright was replaced by Jan Bottoms as principal in 1973. By this time, teachers included Janet Jacks, Shirley Davis, Oliver Steele (who went on to become the principal of The King's Academy), Sue Austin, Karen Phillips, Beverly Showman (Plunkett), Gloria King, and Liz Canonic (Duff).

1974 - Joe Guethle joined the Crusader Family right out of college along with Dollie Spotts (Penue). The annual that year was dedicated to Miss Jan Bottoms and the homecoming queen was Jill Haddock (Cunningham).

1975 - C.D.S. began its Spirit Week tradition. Nineteen seniors graduated under the leadership of the new principal Ray Stedham. The school had a very active Pep Club and Pep Band. Cheerleaders were Judy Curtis, Charlene Harris, Nancy Kelly, Vera Lamb, Judy Clayton, and Diane Harris. Leatrice Goforth was drill team captain.

1976 - The Bicentennial year - Happy Birthday America and a very good year for C.D.S. This year saw the groundbreaking for the gymnasium, the annual was dedicated to Mr. Guethle, and a new Bible Club, under the direction of Miss Bottoms was started with 40 members. This was the second year for the National Honor Society, sponsored by Celeste Zervos. The girl's basketball team was started and Debbie Sprinkle was the yearbook editor. Roger Cunningham was the sponsor.

1977 - The basketball teams had a gym in which to practice. They were used to asphalt. The boys were coached by Mike Sullivan, the girls by Janice Bowser.

1978 - The '78 yearbook was dedicated to Miss King and Miss Canonic - "two of Christian Day's outstanding faculty members who have contributed more than just time to the students." The cheerleaders were Judy Clayton, Lisbet Lutz, Lisa Lewis, Shelly Shireman, Vicki May, Michele Conway and Kelly Cowart. The valietorian was July Clayton. 1979 - Doris Acree and Tim Atkins were named Outstanding Seniors.

1980 - The Homecoming Queen and Senior Class President was Jan Hancock (Royal). The new principal was Arvine

Bell. Coach Gus Harmon (who later took the boys to state in baseball) and Kathy McReynolds joined the staff. Mrs. Nancy Shackelford, a well loved sixth grade teacher, left to teach in Clewiston.

1981 - This was a good year for the C.D.S. sports teams. The boys went to state in baseball. William Cruz - what a pitcher!

Joni Davis set a school record for the most points scored in a basketball game. 1982 - Robin Waggoner joined the staff and began the Crusader Choir and taught high school Bible. Mr. Earl Looka-bill joined the staff teaching Bible and science. Mrs. Key Davis became a kindergarten marvel. Mrs. Debbie Hilyer became the new secretary and continued to work in the office until 1994. The girl's volleyball team had 11 wins and three losses.

1983 - Big changes this year - good ones! Gloria King became principal; Robin Waggoner took the choir on its first of 11 tours, creating memories never to be forgotten. The first Spring Concert was held at the Dolly Hand Cultural Arts Center. Miss King's motto was "Say nice things about Christian Day kids. If you can't - just sit and listen." The student body decided the annual to be Mrs. Duff. Mr. and Miss Senior were Alex Morales and Brenda Rowland.

1984 - The Class of 1984 began their second grade year. Kimberly Chamblée was crowned Homecoming Queen. C.D.S. graduate Bill Taylor, began teaching and was very popular with students. The faculty began the tradition of choosing a Star Student each month. F.C.A. and Key Club were added. The girl's basketball team adopted the phrase "Never Say Die" and practiced it.

1985 - The Homecoming Queen and Female Athlete of the Year was Angie Miller who later became C.D.S.'s Coach (Mann). Nancy Kristman, Lola Brewer, Elina Garcia, and Karen Phillips were working hard in elementary school. Bill Taylor and Susie Stevens were popular young teachers in the high school.

Mr. and Miss Senior were Carlos Rodriguez and Angie Phillips. Angie Miller won the prestigious Miami Herald Silver Knight Award in athletics.

1986 - C.D.S. graduated their largest senior class with 36 members. Senior Class president was David Chamblée. Mr. and Miss Senior were David Chamblée and Micah Corbin. Miss Ann Thiebaud came on staff teaching English, Creative Writing and French. David Chamblée won the Miami Herald Silver Knight Award in Athletics. The Top Priority Service Club was started.

1987 - Vicki Shackelford won the Pathfinder Award in Choral Music. Cheryl Brewer was named Honorable Mention in the Miami Herald Silver Knight Award in athletics. She was valietorian and Female Athlete of the Year. Conventions, an audition group out of the Crusader Choir, was started. Top Priority began its fourth through sixth grade annual Basketball League for the youth of Belle Glade. The league became a huge success.

1988 - The Crusader Choir held its first Bike-a-thon. The Homecoming Queen was Cecilia Varona. Bill Hrabak, new teacher and football coach, became a friend to many students. Jesus Armas, a graduate, returned to become basketball coach (and later took the boys to the State Final Four). These were exciting times for C.D.S.!

1989 - Miss King continues to lead as principal. She has proven to become a strong and very capable leader. Alex Morales returned as head baseball coach. Three other graduates, Jesus Armas, his wife Teresa, and Jan Hancock Royal joined the staff. Mrs. Brewer became the high school English teacher.

1990 - The year began tragically for the Crusader Family. Cheryl Brewer was killed in an automobile accident while a student at Lee College in Cleveland, Tn. Cheryl's life has been an inspiration to many. Coach Hrabak's football team won their first ever conference. Mrs. Brewer and her staff produced an excellent annual. C.D.S. graduate Angie Miller joined the high school staff. Brenda Braddock joined the elementary staff.

1991 - The leading Christian rap group, D.C. Talk, performed an exciting concert in the Crusader gym! Gary and Donna Bradshaw went on Choir Tour as chaperones. It was one of the best tours. Homecoming Queen Karla de la Cerda was crowned by 1990 Queen Candace Brewer. Gilbert Garcia led the entire state of Florida in receiving and was the area's Player of the Year. Mrs. Alene McAllister died - one of the school's most active supporters.

1992 - Principal Gloria King resigned after 21 years. She did an excellent job and the Crusaders missed her. Coach Scott Wilson brings new ideas from Otterbein. The Crusader football team continues to win games in the new district and defeats Glades Day 22-0. Leon Perryman goes on to win Palm Beach County Football Player of the Year. "Armas' Army Aims High" and it pay off. The 1991-92 Crusader basketball team went all the way to the State Final Four. Mr. Jesus Armas was named the Sun-Sentinel Coach of the Year. Coach Mac's girls won the District runner-up trophy.

1993 - Andy Wright came from Pensacola to become principal. Two very special people joined the staff, Mr. D.J. Springman and Mrs. Tracy Guldge Springman. The Crusaders said a sad goodbye to Coach and Mrs. Armas. The girl's basketball team was runner-up in districts. Miss Lisa Glass was Homecoming Queen and Female Athlete of the Year. Male Athlete of the Year was Pop Bowens. Christian Athlete of the Year was Scott Heading. Mr. Springman and Nicole Bennett produced an outstanding yearbook. The Senior's class verse was "Nay, in all these things we are more than conquerors through Him that loves us." Romans 8: 3-7.

1994 - The year of struggle and hard work produced some wonderful memories. The Crusaders saw the best ever Choir, a Tour and Spring Concert, a beautiful prom, fun and educational field trips, great friendships, exciting games, etc. This, too, was a very good year.

...

"We thank God for the 25 years of Christian Day School. Thousands have been touched, many changed by the living outreach of this ministry. May our former and present students always remember and be thankful for the spiritual values they learned, the dedicated teachers who sacrificed much to educate them, the hundreds of inspiring and challenging chapels and the bond uniting us all that we have for so long called 'The Crusader Family.'" - Joyce Chamblée

The bride-elect is a 1985 graduate of Glades Central Community High School. She graduated from Tennessee State University

where she majored in Business Administration. She is presently employed by Federal-Mogul World Trade-Port Everglades. The prospective groom is a 1983 graduate of Pearl Cohn High School, Nashville, Tenn. He is employed by Innovative Computers as a computer service technician. The bride and groom are registered at Luria's

## Scruggs wins state wrestling tournament

For the third time in as many years, Donnie Scruggs defeated all other wrestlers in his age and weight division to win the Florida Amateur Wrestling Association state tournament held May 27 and 28 in New Port Richey. Wrestling both Greco-Roman and Freestyle in the Schoolboy division at 100 lbs., Scruggs was termed a "threepeat" by his coaches, having won in both styles three years in a row.

A student at Glades Day School, Scruggs has been wrestling with the Clewiston Wrestling Club for five seasons and credits coaches Marty Espinoza and Andy Tenney with his success.

"These coaches work with us voluntarily five hours a week from March through June, and go to tournaments with us on the weekends. They give a lot of their time they could be spending doing something else, but they really care about us," said Scruggs.

USA Wrestling Southeast Regionals (11 states, including Florida) will be held this Friday through Sunday, June 3-5, and Scruggs will travel to Davidson, N.C. to wrestle in that event as a result of qualifying in a tournament earlier this season.

## Couple values lamaze birth at Glades General Hospital

Carl and Rose Arpon attended the first Lamaze Class held at Glades General Hospital March 3-April 14, 1994. The couple, who lives in Clewiston, felt the classes were valuable and thus decided to commute back and forth.

The new baby, Chanelle, born April 28, 1994, was welcomed home by her sisters, Noemi and Marileah.

Lamaze techniques have greatly improved and new approaches offer each couple skills which apply to their own individual labor and delivery experience.

"From our experience this Lamaze class has more emphasis on certain things than the Lamaze class we had four years ago. For example, the breathing technique emphasizes more on the comfort of the mother and not according to the stages of labor," said Mr. and Mrs. Arpon.

The father also plays a more active role during labor because he has to coach his wife according to the class she presents. In this class we also learned care of the newborn, tips on how to present infants to other children at home, ways to manage household chores as a new mother and how to deal with visitors or friends during mom's first few days of postpartum.

Chanelle's mother and father attended lamaze classes offered at Glades General Hospital.

**WHIPLASH**

Whiplash injuries can result from a sudden backward and forward whipping movement of the neck, caused by an auto collision, a fall, a powerful slap on the back, or even a violent sneeze. The ligaments and muscles controlling the spinal segments are stretched or sprained, allowing the vertebrae to slip into abnormal positions. Nerves are then "pinched" or irritated, giving rise to headaches, nausea, dizziness and other pain.
